

Welcome to the Campus Advisory Council

On behalf of the Superintendent and the Board of Trustees, welcome to the Campus Advisory Council (CAC). Your input on the CAC helps the campus in planning and budgeting processes, and in addressing important and timely issues.

Please become familiar with the resources on the CAC website, at:

<http://www.austinisd.org/advisory-bodies/cac>

Please start with the CAC Overview. The overview makes reference to other resources on the website, such as applicable state laws and district policies, effective leadership and parliamentary procedure, and citizens communications and visitor guidelines. Next, please review the CAC Bylaws, which provide details on CAC operations and expectations of CAC members.

You will also find helpful the Calendar of CAC Activities, which provides an at-a-glance reference to the activities required for all CACs during the year. Also to facilitate your orientation, the AISD Glossary contains explanations of a number of acronyms and terms you will probably come across during your service on the CAC.

There are also several Useful Links to additional information, such as the district's Strategic Plan, Campus Improvement Plans, state and federal accountability data, and results of parent, student, and staff surveys.

If you ever have any questions or need any additional information, please feel free to contact the CAC Coordinator at any time:
